EIRLINGUA FOCUSES ON LEARNING + ENJOYMENT

Our friendly teachers and staff aim to establish an environment that not only improves students' knowledge of English but of Ireland and Irish culture.

EIRLINGUA directly organises **all** their own staff, activities, excursions and classes. School-related time is **fully-supervised**: classes, breaks, activities and excursions.

OUR HOST FAMILIES are friendly, reliable and open to our students. Host families are **managed directly** by Ms Brady.

In addition to our listed course structure, **EIRLINGUA** offers a safe environment in a **small town atmosphere** – giving students daily contact with local people; and the knowledge that they are safe.
